Training Announcement: All Hazards Supply Unit Leader (SPUL) Course (L-970)

July 10-14, 2023 (5 days)

State Preparedness Training Center

Introduction and Background

The primary goal of the NIMS ICS All-Hazards Position Specific Training Courses is to provide all-hazards competencies and behaviors for Command and General Staff and selected Unit Leader personnel who are members of an existing or developing Incident Management Team (IMT). Competencies in the training are focused around the ability of the student to assume specific position responsibilities, lead assigned personnel, communicate effectively, and to ensure the completion of assigned tasks in order to meet identified objectives for the position. Personal qualifications to serve as members of IMTs are designed to consider a combination of training, operational experience during exercises or actual incidents, job shadowing, field mentoring, and administrative requirements.

Course Description

This course helps attendees establish the essential core competencies required for performing the duties of the Supply Unit Leader in an all-hazards incident. The course provides a realistic, hands-on approach to mastering the skills of a Supply Unit Leader organized by the fundamental steps of the ordering process. Attendees identify information required for ordering, as well as complete required forms and documentation related to ordering, and anticipates ordering and supply needs for the incident. In addition to the ordering process, the course discussed mobilization, setting up and managing the Supply Unit, and demobilization.

Target Audience and Student Selection Criteria
